The Henry County Sheriff’s Office was presented a plaque in recognition of their support in the recent Purple Heart Truck Run sponsored by the Military Order of the Purple Heart. Sheriff Offices from Branson to Kansas City escorted the truck on July 9, 2018. In Kansas City the truck was presented to an amputee or paralyzed veteran. The Truck Run is designed to create awareness of the need for mobility for our nation’s disabled veterans. Sheriff Kent Oberkrom and Deputy Eric Green were the escorts for Henry County. “It was truly an honor to be a part of this great program”, Sheriff Oberkrom said.
From the Clinton P.D./Assault
Clinton Police were called to the Golden Valley Memorial Hospital Emergency Room just after midnight on Saturday night. There they contacted a severely injured Clinton woman who had been the victim of a violent assault in her home located on the east side of Clinton. After speaking with the victim and investigating at the woman’s home, Clinton Police learned that she had apparently met a man online and started a relationship with him. The man, from the Chicago area, came to Clinton to visit the woman. While at her house they became involved in an argument and the man stabbed her several times with a knife and a pair of scissors and then strangled her. The woman played dead and when she saw an opportunity, attempted to run outside to escape her attacker. The man caught her behind her residence and beat her with a metal chair. Only when he heard sirens, which turned out to be from a passing ambulance, did he stop his attack on her. He then loaded her into his own vehicle and dropped her at the emergency room telling staff there that they had been robbed. The man then left the hospital driving the woman’s vehicle. A few hours later, Warren County Missouri Deputies arrested the man who was still driving the victim’s vehicle and drove back to Illinois and still covered in the victim’s blood. He was identified as 39-year-old Michael A. Pullums of Country Club Hills, Illinois. Pullums was served a warrant for Domestic Assault in the first degree with serious physical injury issued by Henry County Associate Circuit Court Judge Wayne Strothman. Bond was set at $100,000 Pullums will be transported back to Henry County where he will be incarcerated in lieu of bond. The victim was transported to a Kansas City area hospital.

Appreciation of Agriculture
As in past years, it was another huge turnout Monday night at the Benson Center in Clinton as the Greater Clinton Area Chamber of Commerce hosted the 41st Annual Ag Appreciation Dinner. Before the livestock sale concluded the night, several individuals were recognized for their service to agriculture. The 2018 County Siresman of the Year is Brian Dehn. Dehn Scholarship winners went to Alyssa Engeman, Cliff Nichols and Kennedy Early. The Dr. John Chapin Scholarship was awarded to Early. Henry County Cattlemen Assoc. Scholarship winners were William Koch, Caleb Hull, Blake Stark and Engeman. Early and Engeman were also recognized as Scott Keck Scholarship award winners last night. And the Henry County Farm Family of the Year is the Curt, Sarah, Lana and Levi Fellhoelter family.

Applicants will be notified of the outcome of their application in early October. Truman Lake Community Foundation is looking forward to awarding grants to qualifying organizations that will benefit many individuals in Henry County and the Golden Valley area. Please direct any questions or concerns to dsorbo@embargmail.com, trumanlakefoundation@gmail.com or 660-885-2134.

Governor Parson announces relief package for Missouri farmers impacted by drought
Missouri Governor Mike Parson announced a drought relief plan for the state’s farmers Monday at a news conference at the state capitol in Jefferson City. The plan includes access to public water from which farmers can pump water out and a lottery to harvest hay from state land. Roughly 98% of the state has been impacted by drought. The hardest hit areas experiencing “exceptional drought” are in northwest Missouri along with Howard County in the central portion of the state. Much of the rest of northern Missouri is in the next highest level, “extreme drought” as are portions of 12 counties in the southwest part of the state. Eight counties are currently in a drought alert.
