

How Clean is the Air You Breathe?

DUCT CLEANING & CARPET CLEANING CAN HELP...

Indoor air pollution is a serious health hazard affecting millions of Americans. Researchers claim it contributes to more than half of all illness, including sinusitis, allergic rhinitis, asthma and more. Common household pollutants include dust, mold, pollen, rodent feces, and insect remains. Doing the job effectively requires the right combination of superior technology and attention to workmanship.

That's why you need the experts at Integrity Cleaning & Restoration.

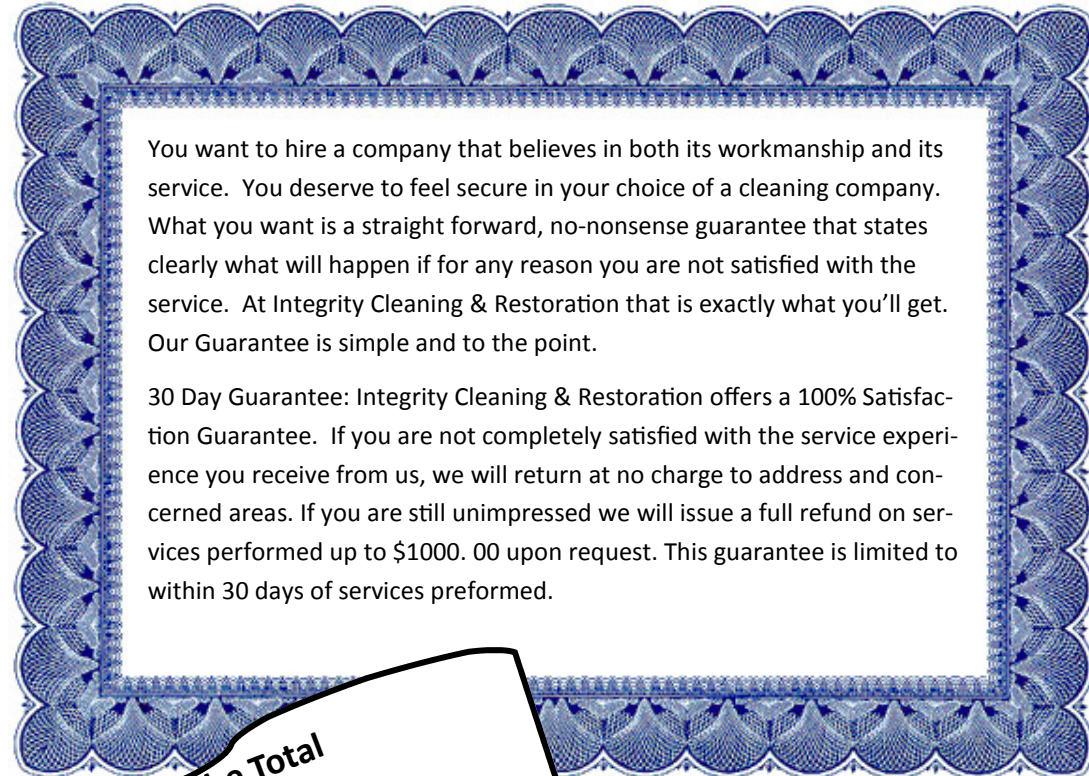

INTRODUCING.....

Breakthrough in Cleaning

- The revolutionary duct cleaning process, Ram Air, allows for state-of-the-art forced air cleaning with no mess or debris and it won't harm duct surfaces!
- RamAir is the most effective system to date, as well as being the first system ever created that allows the homeowner to actually see all of the dust and debris as it is being removed from the duct cleaning system with the clear viewing port.
