EEO Recruitment Initiatives

Took part in the Conclave/Career Fair held at Brown Institute in Minneapolis on Saturday June 28th. Met one-on-one with broadcast majors...receiving dozens of resumes and air-check tapes.

Provided two "Summer 2008" intern programs. One was for a business major (150-hours in traffic/billing) and the other for a broadcasting major (120 hours production/on-air work).

Aired a series of announcements from the Iowa Broadcasters Association...urging students that are considering radio as a career to apply for scholarships available through the IBA.

Served on a committee with community leaders to research new company recruitment and job development potential for Central Iowa.

Conducted tours of the radio station for scout groups.
