In an effort to create a unique variety of vendors, applications will need to be approved before payment is made. To help determine participants it would be helpful for you to **include a picture with an example of your items**, but not necessary. The cost for each 10x10 booth is \$50.00. You will be responsible for your own table and seating, electrical hook-ups are available. We are hoping for at least 15-20 vendors. Once your application has been approved, all payments need to be received by March 1<sup>st</sup>. NO REFUNDS for no-shows. No payments or registration the day of the show. Booth location is not guaranteed. We will do our best to not repeat like merchandise in the show. If there is similarity of merchandise sold our best attempts to separate the booths will be made

Please send your application to:

**\*This is the first year for adding the Home Based Business Marketplace. We are very excited for this addition to our annual show! KCOB is also collaborating with the Newton Daily News to host the show. There is no better show to join than one that has advertising from both the radio station AND newspaper! We will also provide each vendor an e-copy of the flier...so that you may send this out to all of your social media outlets.**
